Greetings,

That's some amazing work bro. Keep earning more & more ?

Regards, Wolf ?

Jingley - December 2, 2018, 12:13 pm

Thank you all for the support!

Personally I think the conversion percentage could be better but after doing some adjustments I see a bit more tendency of bigger rates.

Blogger - December 3, 2018, 3:37 am

Nice earnings. Congratulations! How much is profit?

How much do you pay for a usual 6 hour / 12 hour post? Or what time intervals do you do with them

24 hour story post can cost an average of \$50 for a decent page

There are a lot big pages with LQ engagement. You need to find something in the middle.

Would you say it's better to go your right with advertising then facebook or google ads?

PerfectStorm - December 5, 2018, 12:43 pm

IG Infkueners can have a better ROI

FB/Google can be more niched down and targeted.

I'd still go with IG
