Thread: [Are inactive PSN names going to reset?](#)

Aqzxk - December 2, 2018, 11:46 am

PSN is allowing name change soon so if they reset inactives it's going to create a market.

If not, usernames rn are going to probably go up in price.

Didn't they say they was gonna do this awhile ago?

reBELLYus - December 3, 2018, 8:43 pm

This was an announcement a long time ago but nothing ever came to fruition.

You can officially change names now but idk if they are resetting inactives

hackerforhire - December 15, 2018, 1:59 pm

how did you come up with this one
