I vape and even I think that an award for it would be gay as fuck lmao

It would be a funny award, but a vices award would just encourage 13 year olds on here to shoot heroin into their dick to show omni they deserve it

We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.

I don't normally vape, but when i do its just wax/cannabis carts. I am not all that into vapes. Even then, i prefer to dab my wax with a rig.

Vaping doesn't deserve an award. That's what kicks to the dick are for.
