UPDATE 11/4/19 - Selling 1 final spot!

Hey guys,

We're allowing 5 lucky members to join our Infamous Cartel.

These positions will be lifetime memberships to the Cartel. Unless you go rogue and have valid scam reports on you.

Cartels are limited to only 20 members so you know you're going to be apart of an exclusive Crew.

You will also get access to our Cartel userbar which is arguably the best Crew UB to date. (Sorry Motley)

In order join you will be required to pay a fee of \$50 BTC/ETH. Please contact me via PM if this interests you. :)

Slot 1: SOLD

Slot 2: SOLD

Slot 3: SOLD

Slot 4: SOLD

Slot 5:

Thank you.

iNviZ - December 3, 2018, 8:19 pm

This is an interesting offer Cameron.

Best wishes. ?

As of right now, there's no benefit minus the userbar. Although, Xerotic is working hard behind the scenes on Crew wars and a bunch of other exclusive features for Crews.

Lavish Living - December 3, 2018, 8:36 pm

Michael - December 4, 2018, 6:16 am

If only I had 7,5k bytes, would buy this immediately.

Very interesting.

Yin Yang - December 4, 2018, 6:19 am

What is the buy in money being used towards, if you don't mind me asking?

Is it for the cartel specifically?

Banter. - December 4, 2018, 9:32 am

Join while spots are free be apart of a awesome crew! ?

Get that Sexy UB ?

Dax - December 4, 2018, 9:36 am

It's all about the money money money.

I remember when people got in groups because of their knowledge and help that they give to others. Not by btc and bytes.

1. It's not a group.
2. That post is entirely useless here and considering this is a sales thread, you're actually sales trashing.
3. It's his crew and he can do whatever he goddamn wants with it, if you have a problem then buy a crew and do something about it.
4. Oh yeah, you remember when people got into groups from merit, yet buyins have been sold on here since groups were first a thing.

Byte payments will definitely have a decent portion of it going to the crew vault.

Only real G's buy at \$0.01/byte

Crypt - December 4, 2018, 7:24 pm

I could pull my bytes out of crypto and do this but as of right now you can't do anything in crews and 7500 is steep. Best of luck with the crew though!

If I had 7.5k bytes, no questions asked - I'd straight out drop it.

Would you be willing to participate in crew battles? We only want someone who will actively contribute to the crew.

Mercury - May 2, 2019, 8:01 pm

If you ever need someone on the fly hit me up. I'm in no crews as of yet and I've been gaming it up. I have no interest in buying in though.

Have a great day.

123 - May 13, 2019, 5:55 am

If you still looking for some guy who will actively participate in crew battles, you can hook me up in your crew. I'm only interested in your crew and haven't pitched to anyone nor I will in future.

I'm not buying though. Looking forward to listen from you.

Edit : only crew I would prefer over your crew would be Omni's crew. No other !!!
