Thread: [FREE! - 20% OFF KFC - UK ONLY! - LIFETIME ACCESS! Counter & Drive Thru](#)

Fearow - December 3, 2018, 11:34 pm

Hi all :)

As a joining gift I am giving away 20% OFF KFC (UK) forever! This only works in the UK for now! I may be adding other countries soon.

Please post below and I will inbox you a login to my exclusive script. My script will allow you to generate unlimited codes to gain 20% off KFC.

These codes can only be used in the United Kingdom

Your account will have no limits, however, please do not generate more than 2 or 3 codes per day or your account will be restricted.

I will be blocking codes with high traffic to avoid detection by KFC. Therefore please do not share your link.

Discount codes are only valid for 48 hours after generation! I recommend generating a new code before you visit.

I am now sending logins! Do not share your access token. Tokens with excess traffic will be blocked.

Live in the US? Inbox me a picture of any KFC receipts you have so that I can start working on a US version too!

Enjoy
