Thread: [Selling Official Group - BIN \\$1,500](#)

ida - December 5, 2018, 1:49 pm

The group has two sub-forums. Bitcoin only.

You go first and pay for the group transfer fee.

BIN is \$1,500. No payment plans or other offers.

Dredd - December 5, 2018, 2:37 pm

Good luck with this sale, was in this group a long time ago.

Lavish Living - December 5, 2018, 2:41 pm

why are all the owners ditching their groups :p cheapest BIN for this one. glws... if i had the money available i would probably cop or offer like \$3k flat but i am a broke ass bitch atm =/

I tried. No group owner would trade ownership of a group (the ultimate clout) for some awards :p

hash - December 7, 2018, 2:41 am

Good luck selling your group. This is currently the cheapest BIN.
Hope to see some nice groups being born in the future.

And why would they?

If they're selling a group that often means they want to "leave" HF or at least be less active cause they don't have time anymore.

ida - December 9, 2018, 5:41 pm

I have lowered the BIN to \$3,000.

I am not going any lower as I am not desperate for the money.

ida - December 17, 2018, 7:01 pm

Please do not message me with offers below the BIN.

\$3,000. The price is final.

Yeah, Cyber Gents is being sold for \$2,500 and the price is negotiable.

I would like to see a cybersecurity/programming related group but it seems like groups are losing value and people don't care for them as much as they used to.

A couple of weeks ago there were over 5 groups for sale. A shortage in supply will likely mean we'll see prices rise. To think this is the current cheapest group is pretty good news for anyone who brought in at the low 2000's. Even luckier if below that.

One year, 6 months... either way it's a very long time for a site that gets this much traffic to have such a slow turnover rate.

Groups used to sell much faster and for a lot more money. They've never been this cheap since

Omni sold the first few. I'm surprised someone doesn't buy this for this insanely low price...

Hello ninja, yeah I got a guy here who is trying to be like you. His name is deal... dial tone*

*Dialing

Who's this? Mix' mom? Just here to tell you that your son sells public packs of young girls naked, with the intention of having guys pretend to be these young females, to extort old men for money.

I am quite sure he uses his own packs for the very same purpose.

Mix' mom: "I feel very bad for this, I didn't think prostitution would affect his mental health so much"
