You heard right. I have far too many to make good with. Your file must be near FUD ST, if it's not we can work something out.

PM me if you want some

Amount given to each person depends on your contribution to the forum. Stopping in six hours from thread start. Unique slaves for each person, no reruns! Any slave sent out is marked "Dirty" by my net so that they will not be sent out again!

Gogogo!

Fzsix RETURN ME MY MONEY!!!

Very careful with Fzsix, you sell a method SATURATED, will try to INFECT you and of course do NOT REIMBURSE.

The positive reviews are from your partners and other customers to whom you offer your other free ebooks or something else.

There are screenshots that prove what I say:

<https://hackforums.net/showthread.php?tid=5908080&pid=57979064#pid57979064>

Take this seriously and do not let it deceive you or manipulate you with your good words and your ticks.

The \$ you have used to fill the tank I just spent them inviting my friends to beer, this I do for pride and for helping others.

But if you return my money with INTERESTS, I may forget about you.

You will not recover your CREDIBILITY.

xDD You are so poor mate. This is a giveaway. I don't understand how I am supposed to get money from a giveaway. I'm sorry that you failed at infecting me and now are making a fuss since I'm not refunding you after you break multiple HF rules and try and scam me.

That is a contradiction, if I gave you business you would not have offered me a 25% refund for PM. With that I do not even have for popcorn.

You have lied to me so much that I do not believe anything of what you say, I will only accept facts and proofs.
