Thread: [Giving 7 Website Development Courses for FREE!!!](#)

Ram - December 7, 2018, 9:15 am

Here's the list of the following courses that I'm giving away for free!!

Learn JavaScript for Web Development

Learn Angular 2 from Beginner to Advanced

Complete HTML Tutorial from scratch

Make Your First Website From Scratch - Adobe Dreamweaver® CC

Angular 2+ with Typescript - Essential Training

Ionic & Angular JS: Principles Of Mobile and Web Development

Learn JavaScript for Web Development

Post here and I will PM you the links so people dont spam me too much.

You will receive all of them for free of charge!

To support me you can send me some bytes but its not a must :)

Thanks!

Received, Thank you.

much appreciated bro

Bluffer - December 14, 2018, 1:10 pm

Once I finish up on CSS I'll be diving into Javascript in the new year. These courses would be very useful to me.

seka1995 - December 14, 2018, 1:23 pm

i have been thinking of shifting my career to web development recently, but i have been always afraid i wouldn't be good at it or it would take me so long to learn it :p

Anyways i'm sure these courses would help me make up my mind! Thanks in advance <3 :)

Ram - December 14, 2018, 1:51 pm

I have sent this to both of you guys! I hope you enjoy it!
