Thread: [Any good Facebook buy sell groups of US/AUS/Germany/France/Canada](#)

Yungversace - December 8, 2018, 6:56 am

I need groups where people post products and buy and sell stuff. Can anyone help me with such groups?

Even one or two would do, I'll find rest good groups with the suggestions.

groups could be wholesale, wedding gifts, shopping, gifting.

This will be used for the advertising.

Example of groups are:

<https://www.facebook.com/groups/wedtalk.in>

<https://www.facebook.com/groups/297948623746125>

<https://www.facebook.com/groups/566011176858837>

<https://www.facebook.com/groups/1618263338420352/>

(p.s dont tell me to search on facebook, it doesn't show up the groups with active members.)

Just go on a map and pick some random cities, then google search “*CITYNAME* Facebook buy sell trade”

Nearly every city has a buy/sell/trade group and lots of them are active.

Yungversace - December 8, 2018, 8:13 am

thanks, although I had tried doing this, this brings up groups with a low number of members.

supposedly, search using delhi facebook buy sell trade

you wont be able to find HQ and active groups I posted above. like with 50K + members and active buyers

(Dec 8, 2018 10:05 AM)php Wrote: [CITE](#) Yes, that is why you (just like everyone else) must do some research and data sifting to find what you're looking for.

Each city has at least one or two groups that has a large amount of members.

I'm not sure why you haven't been able to find this information.
what's data sifting.

Can you help me with more specific keywords or something. Because I am trying but I couldn't find such good groups.

IMO, most good groups won't come up in a google search for example.

let's barter india

it's the biggest group and the most active group, but you cant find it with keywords and research.
only a person who lives here would know about this.

capital/major cities buy sell trade. I did this few years ago.

"London buy sell trade"

"Toronto buy sell trade"

"Los Angeles buy sell trade"

There's always groups for every city big or small.
