GUIDE UP TO DATE AS OF : DECEMBER 2018

Buy your ultimate ebook here : <https://selly.gg/p/d3a7663b>

Price : 40\$ => 20\$

Hello there gentlemen. ?

You have probably made the best decision of your day by clicking on this thread.

It's simple, I guarantee you that if you follow my ebook (which contains years of knowledge in e-whoring, social engineering, selling methods, psychological manipulation and many other required qualities in this field) you'll be able to generate quick AT LEAST 3000\$ per month.

I am confident, you're gonna make it. The only condition is to reevaluate your moral standards...
aaaand to not be afraid of dick pics !

My guide will take you step-by-step to financial success in this area with illustrated examples, many links, and concrete themes.

How much do you have to invest in order to get these 3000\$ monthly ? The ebook price. 40\$. No more, no less. You will not have to buy anything else added to this ebook, meaning you can start earning right after purchasing it.

About me ?

I'm a new member on HF! But don't judge on appearance. I'm doing e-whoring since end of 2016. I worked hard on this ebook, and it will become a powerful tool and money booster for you!

Since I'm new, it's totally understandable that you want me to proof that this is working.

I've made 950\$ the last 12 days with my brand new e-whore identity. I could have done more but.. I was writing this ultimate ebook :P

Vouch copies ?

By the way, I will give 3 vouch copies, because I know the ebook has to be reviewed before you buy it, and it's totally normal since I am new here!

On these 3 vouch copies, 2 will go to known members, and 1 for any appraiser who'd like to review this!

After these 3 copies, price will be 40\$.

Any questions ?

How can I buy it ?
I take bitcoins and PayPal.

Is e-whoring still working in 2018 ?
Hell yeah! More than ever. There is more and more potential buyers. :)

How much \$ can I earn ?
This method is about scaling. You will start by 2500/3000 at first, and it has unlimited potential. Everything for success is given on the ebook!

Should I spend money ? (other than the ebook)
Not at all! You just need to read (and understand!) it to start earning.

For all other questions, feel free to PM me!

(Dec 9, 2018 03:55 PM)Geass Wrote: [\[CITE\]](#) I received a vouch copy from OP and here is my honest review:

Quality: 8/10
The ebook is very simple written (no icons etc) with big letters and dark colored background for not tiring your eyes by reading.
My grammar isn't good so I can't know if its good but I understood perfectly what he wrote on his ebook without problem.

Also a big positive he provides to you a lot of links on what you need so you don't have to search over the internet and trying to find a working application, only a pack you need to find yourself.

Methods 9/10
I can't say it is private but you will definitely find some advices you might haven't seen it before and will increase your chances.
All the tools (besides pack) that you need you have provided by OP so you can say the setup is ready just follow the instructions 10 minutes and you will be fine (20 at most if you slow)
For people who ewhore for enough time probably wouldn't suit but still keep in mind they might find something new since there are a lot of information, for beginners seriously it is one of the best and detailed methods.

(Dec 12, 2018 05:17 PM)Joshia Wrote: [\[CITE\]](#) So I've just ended the OP ebook and it's AWESOME and CLEAR! You can be a beginner on ewhoring, or already advanced, you will learn very good things.

There is many links and examples through the guide, and they are all revelent.

Methods: 10/10

Methods that i've never readed before, and that's fresh and useful, also up to date for nowadays people mentality, that's for sure. Also each method are explained with real situation based examples. That's a big plus!!

Quality of ebook: 9/10

The ebook is written in a perfect english, with simple and comprehensive words. Also, it's written a way that it doesnt hurt your eyes! I already mentionned it, but there are many many clickable links, which makes you win time and clearly, as long as you readed the ebook you can start earning!

So big vouch for you OP, great job. I'll edit with some earn quick ?
