Thread: [\[INFAMOUS\] Official "Bytes4Contributions" Reports](#)

iNuke - December 8, 2018, 1:50 pm

Hello and welcome to the Official Bytes4Contributions Reports thread.

Bytes4Contributions is a concept brought to you by Infamous.
We're going to be giving Bytes weekly for great contributions.
I will be keeping track of what we give, so you can how know much Bytes have been given to contributions.

This thread was made so you can report your own contributions OR other members' contributions.

Here is what a great contribution could be: A helpful and useful thread (i.e:
<https://hackforums.net/showthread.php?tid=5828966>)

A detailed and useful post (i.e:
<https://hackforums.net/showthread.php?tid=5907595&pid=57924095#pid57924095>)

A great service (i.e: <https://hackforums.net/showthread.php?tid=5903206>)

And more! Feel free to report anything that YOU think it deserves some Bytes.

How to report a contribution?

It's easy, simply just post here using the following format:

Code **[b][color=#ff3366]Contribution[/color][/b]: INSERT_LINK_HERE**

A huge thanks to: [?usiness](#) for helping me in general.

[Vitani](#) for contributing to the idea by putting the report thread in a Lounge sticky.

Any Infamous member that will take part in this activity.

Since the beginning, Infamous has given: 3100 Bytes to the community.

reBELLYus - December 8, 2018, 1:55 pm

This is a nice way to give back to the community in a positive way. Nice work Infamous and co.

Banter. - December 8, 2018, 1:56 pm

Xerotic - December 8, 2018, 2:10 pm

Submit your threads/posts or any other member's thread/posts that you think are worthy of some Byte recognition! Running low on gambling Bytes? Write up a great tutorial and get rewarded! :)

sh4moon - December 8, 2018, 2:17 pm

sounds interesting. how many bytes are we potentially looking at here?

Bacardi Cola Lime - December 8, 2018, 2:31 pm

Great opportunity for quality content writers to get rewarded. Let's see what people have to offer and, why not, try to produce some myself!

There is not really a limit but probably 100-200 for each contribution.

Eagle 95 - December 9, 2018, 1:25 am

Good luck to anyone involved! Get ready to get some bytes!

I will be giving from 50 to 200-250 bytes weekly myself. Other Infamous members will give from 50 to 200 bytes weekly, sometimes even more.

We're trying to spread it!
