Thread: [affiliate marketing ,how to choose affiliate program ?](#)

linksmakotis - December 11, 2018, 10:38 am

Hello. I'm new to affiliate marketing, and want to give a shot . I believe I got good niche ,and know where to find traffic . But what is the best way to find best affiliate program ? Maybe there is some kind website whos help to find best affiliate programs with a niche keyword?

I have my own affiliate program which you may be interested in. However it depends on what target market and keywords you want to work with.
