Thread: [Deobfuscate please](#)

**VirtualMachinima** - December 12, 2018, 9:45 am

Hey guys so I'm trying to see how well I can obfuscate LUA code, try deobfuscating it, please do not send here the answer, instead just PM me so you dont ruin the fun for others, enjoy!

Pastebin code: 2uMz5qaS

Betcha can't do it

**Infamia** - December 14, 2018, 9:22 am

not exactly obfuscating when you just hide it under a virtualizer

Yeah but still.

**mauricebr** - December 22, 2018, 11:33 am

i will see, seems to be diff

Good obfuscation, very smooth.

I could crack it in 1,5 hour i think.

whats ur discord? I want to contact u xd
