Come with email access or no? Unless you are going first, I wouldnt do business without a middleman here on HF. Definitely would make an offer if either of those criteria were met... We would also fill out a contract. DM me more info, maybe I can make an offer? Not sure what youre even looking to get.

Do you have access to OG or its hacked acc's?

MeAndMyPsyche - December 15, 2018, 7:32 am

Just wondering about what price you're looking for on these accounts?
