Thread: [\\$350-\\$450 ADWORDS ACCOUNTS](#)

SIM-3196849 - December 17, 2018, 9:36 am

Hello, i got a membership on, capitalflows
1 \$350-\$450 (random) account = \$30 BTC
They are ready to promote your business, any type of business.

Ill go first with members i deem trusted

Still selling guys, bump :D

Reliable - December 20, 2018, 3:30 am

If I'm considered trusted, shoot me a DM. Only 1 of these?

Did you ever get one?

Can - December 29, 2018, 5:11 pm

I'll take a vouch copy of your still giving one out

loligirl263 - December 29, 2018, 9:01 pm

CapitalFlows is a complete scam. There are threads that have proven this. This guy is just advertising the website.

SIM-3196849 - January 10, 2019, 4:44 pm

I wasnt advertising the site. I wanted someone to pay me \$30-\$40 and with that pay a part of the membership. The owner gave me a discount on chat and im glad i didnt pay for it. I didnt sell a single account and i didnt get scammed by that guy.

Sorry for posting the link tho
