Thread: [Kuroko No Basket SEASON 2?](#)

Do you guys think Kuroko no basket will have season 4?? ?

Do you mean season 4? Because the series has already spanned 3 seasons, a bunch of OVAs, three recap movies and a movie following on from the third season. As for future adaptations, I would honestly say that at this point we won't be getting more. All the manga content has been adapted, and so if there were to be more, it would essentially be anime-original which wouldn't hold up I don't think to the series.

I don't think so, it ended with one movie so it is very unlikely to make a new season.
it ended normaly, what more you want?
there are so many anime in the middle with no continue season :P
