Auction

for

Xerotic Bot DNA Award

Hello everybody. My name is Xerotic and I [recently became an Administrator](#) here at Hack Forums. I will be (and have been already!) creating plugins, adding features to the site, and improving site functionality where needed. While I am in this position I will be dedicating my time towards HF full time. In order for this to be possible, however, I must be able to earn money to pay my bills. As part of a plan to allow me to dedicate the time I will be (and have been) dedicating to HF, Omniscient has allowed me to grant the [Xerotic Bot DNA](#) award once per month with the understanding that it will be sold or auctioned each month (or granted for free/not granted at all). This will allow me to afford my rent/bills so that I can continue to pump out code and bring some amazing features to HF. Features that have been talked about for years are going to be coming to HF swiftly, but only as long as I am able to afford to dedicate all of my time towards the site.

Award

The Xerotic Bot DNA award is very rare. It has only been granted to six members! The award will only be granted once per month and it will either be sold, auctioned, or given away. It is designed to support me so that I can support Hack Forums.

I would like to thank [Novica](#) for creating the award image.

Auction Details

I will update the thread with the current high bid and bidder as often as I am able to. If you are the winner of this auction you can have the Xerotic Bot DNA award granted to yourself or another member.

Good luck Xerotic. Merry Christmas and a happy new year!

Glws just one question at which point do you stop copying and pasting the same passage about "recently becoming an Admin" because it's been over half a year now ?

For some reason I recall Green Arrow's intro when I read OP.

"My name is Oliver Queen, after 5 years in hell... "

Most likely cashes it out or pays via like PayPal / Venmo with a crypto debit card.

@Xerotic - Ill start it off for you buddy. \$750 from me.

I believe it was March which makes it 9 months not 18. Just look at everything we have accomplished in the relatively short time.

Crypto is seeing increases at a nice time now. Hope that helps somebody get this for the BIN price. Xerotic is an asset and we need to keep him developing for Hack Forums!

Nuworld - December 22, 2018, 6:54 pm

Lets go folks! This is for a good cause.

Xerotic has been busting his ass to improve this forum as with Omni.

Besides, The award looks nice on your profile.

Deal - December 23, 2018, 1:51 am

Bring up this post.

Award looks nice as hell, as stated Xerotic is an asset for the boards and deserves to have this one bought for the BIN.

Every month I think about changing that sentence wording but I don't. ?

And I gotta sell this every month to pay my bills, I don't want to sacrifice a month of pay for my own profile. ?

iNuke - December 24, 2018, 4:46 pm

Xerotic still getting lot of work done. More things to come, someone snatch this for BIN!!! ?

Be a real chad and do it.

Or make your landlord join hackforums and pay your rent with bytes lol.

Anyways, hopefully someone will BIN it today as a Christmas gift.

Raz Riverblade - December 25, 2018, 4:42 pm

One day I'll have the money to buy that. But alas, it won't be today.

I would like to see a raffle done with this award! I feel like more members would be able to contribute and take a chance at winning it.

Say like 20-50 bucks a ticket. Probably let people buy as many tickets as they want. Would be a good chance to win this award and help you out

tho, idk the math for how many people would need to buy in every month for it to work, but maybe its worth a shot sometime

Hopefully someone picks this up!

If it would be \$50 per ticket then 20 people can enter.

The probability of winning is 1/20 and it's not bad at all.

May be Xerotic can try once, if this model works and if Omni allows that.
