After a day of using the packs, I am here to leave my official vouch for the seller. After using these packs, I have already profited more than what I had paid in purchasing the packs. If you are good with your SE skills, the sales are a guaranteed thing because the packs cover everything you need in making some sure sales. From here on out, it's all pure profit. Looking forward to more packs from the seller. Thanks & Highly vouched.

Also OP helped me a lot since I'm fairly new to e-whoring. His advice and tips were really helpful, thanks a lot mate!

CALIGIO'S VOUCH REVIEW

Intro

Hello, my name is Caligio and I received a vouch copy of 5 packs from EnlilWolf. The packs are - Brie, Maria, Claudia, Dana, Melissa. First thing first, I want to get the fact that I am in no way associated with the seller and this review is going to be based purely on my opinion which comes from over 3 years of E-Whoring experience.

Pack #1 - Melissa

Content

The pack is divided in 5 folders:Gifs - 96 files

Nudes - 131 files

Normal (Selfies and Everyday pics) - 1317 files

Teasers - 1138 files

Videos - 24 files

This pack is actually a pretty good one, although it misses some more videos that would work as convincers for people to buy (especially when it comes to Snapchat e-whoring), but what's great is the fact that the seller is providing you with the real name of the girl so by doing just a little bit of research you will be able to get what you need in no time + loads of extra stuff. I did a little research by using my usual methods and I have to say that within 15-20 minutes I got enough content that I'd be able to run a premium snapchat for this pack for months.

I have to say that this pack (as well as the other ones seem to be UNSATURATED or at least I haven't seen people using these in my own experience.

The 1317 pictures that come in the Normal folder are more than enough to have a great social media set-up both in order to drive traffic and e-whore on Instagram for example.

My Rating - 8/10 (because of the lack of videos included in the pack)

Pack #2 - Claudia

Content

The pack is divided in 5 folders:Gifs - 4 files

Nudes - 88 files

Normal (Selfies and Everyday pics) - 100 files

Teasers - 228 files

Videos - 12 files

This girl is great! She's a weed smoker and I've always had success with girls like her. The seller

also provides you with the real name of her which is as usually a great add-on when purchasing a pack. I would say that although every pack is suitable to be used for snapchat ewhoring - I would loved to have this pack in my collection back in my KIK this - would have made quite the fortune.

The thing that's lacking are verifications - if the seller could find a pic or two with at least the girl holding a paper sign - that would increase my rating for this pack.

My rating - 7/10

Pack #3 - Dana

Content

The pack is divided in 4 folders:Nudes - 70 files

Normal (Selfies and Everyday pics) - 1 files

Teasers - 5 files

Videos - 9 files

This pack, although pretty small, has it takes to become a successful CPA pack or KIK pack. Although I can see it as a good choice for your first e-whoring pack for snapchat in case you're just learning - you will be handing something that's unsaturated and with the right traffic - won't face loads of people wondering why they've seen someone like you a few times before.

My Rating - 7/10

Pack #4 - Brie

Content

The pack is divided in 4 folders:Nudes - 28 files

Normal (Selfies and Everyday pics) - 16 files

Teasers - 23 files

Videos - 12 files

Also a great beginners pack. The videos are snapchat-sized and pretty long (3-5 minutes) to serve as premium shows for you snapchat e-whores out there. For sure a great pack to make a fortune on kik by selling those vids. I see them selling for 25\$-50\$ without a problem, meaning that you'd double your investment by getting this pack in no time!

My Rating - 8/10

Pack #5 - Maria

Content

The pack is divided in 4 folders:Nudes - 72 files

Normal (Selfies and Everyday pics) - 45 files

Teasers - 45 files

Videos - 10 files

Again! Good job on having those 5+ min videos. I don't want to repeat myself over and over again, but the pack is great. Of course, it's not a 10/10 for some obvious reasons but what more can you want for such a great price.

My Rating - 8/10

Conclusion

Overall - great packs! Props to the seller for having videos that are actually long not like 10x10 sec snap vids... Most of the packs are worth the price you pay for the videos alone. I'd say - don't hesitate to purchase these and I'm pretty sure that with the right skillset you'll make your money back in no time.

Good luck with sales!

-Caligio ?
