Yoo bro can u dm your disc or tg?

Stanley - October 23, 2022, 4:28 pm

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

His work is impeccable, the time it took to finish and return a finished product was extremely fast and he made all the edits I asked for and was more than polite and easy to work with.

I would highly recommend using his GFX service and will continue to do so myself!
