Interested in this, If you are handing out vouch copies for the 1k visits, I will be more than pleased to post an in-depth review for you.

If the traffic is indeed high quality, I will purchase the \$28 package.

I got a vouch copy and he delivered all the traffic quickly, also a link where I could monitor everything in real time. Where the traffic come from, what country, etc.

Big vouch for GMX9. Will definitely be a customer in the future.

Received a vouch copy.

GMX9 was able to provide me with a link to monitor the traffic he was sending, received 250 free visitors to my website (e-commerce), some of the traffic is not from the USA, But that's normal.

I did notice that this traffic is NOT proxy's or bots, the visitors had a high retention rate, they visited several pages, and lastly a few added to cart. Great service, amazing support. Do not hesitate to order from GMX9, Vouch and good luck with sales! Will soon be a customer myself!

Will the visitors interact on the page after they are sent? For example a landing page for DL+EXEC some file, will they do so?

i cannot guarantee that all of them will do it, but some ill for sure, it is real persons/visitors traffic, so it has really heigh chances of conversion, retention rate is also high so they ill interact
