i've been trying to sell my level 50, 9 year old account that has 746 games and 433 dlcs with a value over \$7000 for \$150 with no luck. i'm pretty sure you won't get \$100 for that

i've posted on other forums since on hf only ub3rs were able to sell non-free accounts until recently tried to sell it for months and eventually gave up since no one was interested

R4NS0M - December 27, 2018, 3:24 am

Price dropping to 80\$

BTC only!

R4NS0M - December 28, 2018, 5:20 am

Bumping.....
