I have bra codes too, contact me if you need any

-

Codes are stackable, so if you buy more than 1 code you can use it in the same order. [10 stack limit]

-

Accepting BTC, ETH, LTC, BCH & Ripple.

If you want to pay with paypal you need to contact me directly & agree to a "friends and family" payment.

If your code doesnt work then message me and I'll give you a replacement

I restock every 1-2 days, so if im out of stock just keep checking <3

VOUCHES:

(Jan 7, 2019 03:56 AM)DeepHouse Wrote: [\[CITE\]](#) Vouch for this guy is definitely worth it

With OP talked at discord he sent me a free code to test that is definitely a plus for trust.

If the first code worked, I immediately bought 8 \$ code twice (Free jeans) as expected, it worked fine payment was sent to my country (outside USA).

You can use up to 10 reward codes (not including the free jeans, bras, or 20% Birthday coupon - it appears you can use those in addition to the ten reward cards.

Just a heads up, posting discord contact information isn't allowed. I'd hate to see you catch a ban for what seems like a pretty awesome sale.

I've never had someone report to me that the order was canceled.

Guardians - January 6, 2019, 3:49 pm

Are these codes or accounts that are pre-loaded with codes?

Also, was this obtained via a promotion or via cracking?

Thanks.

via cracking [however sometimes i do get codes that are obtained in a different way]

You get the code itself, which you can use on a guest account or your own account. No need to login to anybody elses account.
