Thread: [\[FREE\] TORRENTS TO GDRIVE | leeching any torrent to google drive](#)

KissMyAxe - December 28, 2018, 9:54 am

Doing a free service after a longtime.

So basically i will be leeching your torrent to gdrive.
Just to stop myself from doing too much work this is limited.

New members : 5gb limit.
epic/leet : 10gb limit.
Uber+high rep: Unlimited

Maybe ignore the limits, just ask

Post your torrent (magnet preferred) and mention if you want it zipped or unzipped.

kbye
