Thread: [Logo Request](#)

Transporter007 - December 30, 2018, 7:23 am

Hey guys,

I want a simple logo!

I want all 16 images which have 150 x 150 resolution by default. Should be shown for 2 seconds each and fade in or fade out which ever is best. All images have list numbers so want to have on a sequence.

Furthermore, all images should be transparent!

Moreover, I want a text name on right of the images and slogan also.

On the above of Text Name want to add 4 colour drops and each drop to the first drop have some space!

1st Colour: Orange

2nd Colour: Red

3rd Colour: Sky Blue

4th Colour: Sea Green

Text Name: Food Review.PK

Text Colour: White and should be Bold

Slogan: Share Your Taste!

Slogan Colour: Red and should be Italic and fancy style and in 70 degree and it should cross from the end.

Regards. ?
