Thread: [*Perfect for EWhoring* Gallery to SnapChat story without "from camera roll"](#)

Flaming Hot Cheetos - December 30, 2018, 6:39 pm

Im not sure if people know about this but it simply puts photos on your snapchat story without saying "from camera roll" as if u just took the photo.

This is perfect for people who ewhore.

%100 works for android, I'm sure it works for iPhone too!

I'm not sure how special this trick actually is but just to keep it safe I'm sending to UPGRADED USERS
