Thread: [Chrome Cast TVs hacked!](#)

flavoral - January 2, 2019, 2:45 am

Apparently there's a current Chrome Cast TVs being hacked right now and they all show Sub to PewDiePie ads lol

Oh pewbs.... Always keeping his name in someones mouth... At the end of the day I bet it's a ploy to keep the name relevant..

GordunRamsay - January 2, 2019, 2:54 am

i only see like 10 people hashtag'ing it so not a big deal
