Does it work with unidays GitHub student? What does the custom name get you? Just the email name you want or?

TwoStepCloser - January 8, 2019, 6:45 am

Interested in bulk of these. Can you explain how these works with Amazon prime and other stuff you mentioned? Thank you so much.

Unfortunately, it does not work with git hub student :/ regarding the custom name it is just the email name as you mentioned.

Thanks

Hello,

Currently the accounts do not support Dreamspark.

Yes, the accounts are 100% legit and there is no chance for the account to be compromised even if it does and you provide a proof you will receive either a replacement or a refund :)
