Thread: [You're not "Autistic." You're normal.](#)

Proxima - January 4, 2019, 3:09 pm

[Video: <https://www.youtube.com/watch?v=YAsxztU189k>]

This is for the 99% of you who really are just normal humans.

Also, this is a great channel if you like Linux.

Psilocybe - January 4, 2019, 5:27 pm

Thanks for the share op, interesting video from a pretty wise person.

Ram - January 5, 2019, 8:56 am

I dont have any problems but cool video.

The Delta Software. - January 5, 2019, 9:34 am

Thank you bro cool video :)

Who even just goes around labeling themselves as autistic ? lol

kemaster - January 26, 2019, 11:09 pm

Nice stache.. this will be my 2019 goal

julyrose - January 28, 2019, 7:18 am

I am normal, I am not autistic. But interesting video tho

spradebassen - January 30, 2019, 4:02 am

What a disgusting hobo-looking beard he has

I don't think what he is stating is true, you can find people with autism all over the place
