Thread: [Western union payments with Credit card](#)

Zamper - January 5, 2019, 3:28 pm

Hello,

I would like to ask if there any risks of accepting payments using Western union via credit card, if I already cashed out the money, then they can do nothing

im right?

If you receive the payment in cash, then no, the sender cannot reverse it.

What could happen if they send using Credit card, I cashed out and they tried to reverse it?

will Western union ban me or something like that?
