Sure, as long as it's not a scam, and you got a picture or video for him to post.

Bought this 2 days ago, got from 700-800 views to 2.500 views for one day.

I used this to advertise my ewhore, although I made some money I'm not sure if it was my traffic method or his shoutout.

It's not really that effective but it's definitely worth a try so give it a go and goodluck.
