Okay everyone here is my actual review!

Design

I am going to rate the design an 8/10! It looks really clean and nice! It is easy to navigate around! The design could be explained as simple but that is okay!

Method

Okay, so I'll admit its not the BEST method BUT! It can still work flawlessly and for its price! It is amazing! You can definitely make \$100 a day or even more!

Support

He gives off support too but I doubt that will be needed as there are TONS of pictures to help you guide your way!

E-Whore pack

His E-Whore pack is amazing and can confirm it is 1.04GB off content!

Overall Rating!

I'd give an 8/10! It can work flawlessly and does not have ANY illegal activity and the design is just neat!

Thank you for the vouch! ?
