I've found out site/project where u can see highest quality pic of Shanghai and I've decided to share it with u, i found it awesome. U can even zoom until u see passengers faces

Check it out [here](#)

themet315 - January 7, 2019, 11:04 am

First one to find someone naked in a window wins a cookie

Mr. Robot - January 7, 2019, 11:06 am

Ghosts

Bossk - January 7, 2019, 11:06 am

actually pretty dope, incredible zoom.

themet315 - January 7, 2019, 11:15 am

Holy shit it's the Avengers!

Bitmex - January 7, 2019, 11:30 am

Wow what is the price of this camera?

Mom - January 7, 2019, 11:32 am

That's cool, never seen anything like this before.

Everyone has its own politics ?

Spaark - January 7, 2019, 4:50 pm

This is pretty incredible. Like actually unreal. Anyone got info on what took this image?

Omniscient - January 7, 2019, 5:01 pm

Wow, that's actually a great share. Very cool. Thank you.

Snowwy - January 7, 2019, 5:10 pm

That's something different mate, awesome, haha trippy as.

I literally just found the same part and the guy is actually transparent.

Weird as fuck because who would take the time to edit such a thing like that into the photo.

PerfectStorm - January 7, 2019, 5:19 pm

Nice its like google street view

Sombre - January 7, 2019, 5:26 pm

Super cool but pretty weird if you ask me, kinda scary this is a thing.

Goku_6695 - January 7, 2019, 9:38 pm

That is actually insane i never knew something like this could be possible

It so fucking amazing bro.

SIM-3092442 - January 10, 2019, 12:47 pm

How did someone get this? They took a picture of the whole city dang.

NGGNull - January 10, 2019, 12:47 pm

It's great, soon we will be able to buy cameras like this for a few thousand, insane what technology can do now a days

probably by plane/drone, merging a lot of pics into 1 big picture

Roytoy - January 11, 2019, 3:30 am

damn that's pretty! it's actually relatively easy to make btw.

SIM-3223169 - January 11, 2019, 4:55 am

WOW this is awesome!! We getting no privacy no more with this cameras around!

Interesting point. I wonder why people don't need to sign release forms for these

SIM-3223169 - January 11, 2019, 5:06 am

Tech speaks higher then our "rights" at this point.

Haha tell that to Youtube's system!

Abruptum - January 11, 2019, 5:21 am

I appreciate such a impressive technology and still my stomach feels weak when you think about how these systems can be used against humans to track them down like little ants.

Found it randomly to be honest

Black Hat - February 22, 2019, 11:53 pm

That's amazing now I can do long range shoulder surfing to get passwords. Thanks OP.

wtf

Deal - February 23, 2019, 11:20 am

That's so awesome. You can see every detail in this picture. Didn't know these photos existed where you can keep on zooming in.

Oran2009 - February 23, 2019, 2:24 pm

This would be nice for people planning to bomb Shanghai. Or carry out a planned crime.

RAT - February 23, 2019, 4:07 pm

It's really epic. Interesting to zoom and fun around with it.
