Thread: [Unlimited Exploited RDP's daily SKS](#)

Caraxes - January 7, 2019, 8:18 pm

Hello guy's im broke asf right now and i need some cash for VPS and other stuffs, so if you are interested in learn and setup Sticky Keys Slayer to get a few RDP's daily i can help you for a small fee/donation, i will teach you all the tricks and knowldoge i've adquired over 6 months using it!

Where to get fresh cidr IP list (updated daily)
Scan tons of IP address in 1 day
What servers are going to waste your time
All the commands i use to get access to nearly any vulnerable machine
ETC

I will setup everything for you over TV and all the support you need over telegram until you become good or great at this!

No vouch copies will be given, but i can go first with 1-2 very reputable members! (Contract Included)

If you have any questions let me know!

PS: if someone is good enough to colaborate with me at this:
<https://clients.onehostcloud.hosting/cart.php?a=confproduct&i=0>

I can help you and 1 or 2 of your friends with this!

This ITEM doesn't have a fixed price you can donate or colaborate anything above \$5 for my cause!

Also I will include a tool that can mount shared drives on the same network!

BTC Only!
