Thread: [Most expensive Item?](#)

plum - January 8, 2019, 3:40 pm

I know this isn't really related but I'm curious how it's like living that good life? I've read threads about making thousands of dollars, driving expensive cars, etc. Talk about you're milestones of gaining expensive stuff, it can be anything :) (If you got advice about making money then please, tell lol)

PerfectStorm - January 8, 2019, 3:43 pm

Snowwy - January 8, 2019, 3:43 pm

About 6 years ago, I pocketed about \$15k through xb and ps sales. Invested in education, got a good job, saved up for a house and started a restaurant. Now I'm back to my roots out of sheer boredom and greed.

I would probably say my car I have atm, got it for \$7.3k while It's worth \$9k.

I can easily sell it for \$8-9k to the end of the 2019.

I've had cars for \$40-60k
