Dream - January 11, 2019, 2:02 pm

German Shepherd my favorite

Omniscient - January 11, 2019, 2:03 pm

I'd like a Great Dane.

Maybe a Bulldog..

iNviZ - January 11, 2019, 2:04 pm

I love Beagles a lot. They are just really hard to keep them around.

What do you mean? I have a Beagle mix, he's great.

Ram - January 11, 2019, 2:15 pm

Golden retriever for life! I want the same one you posted!

SIM-3257834 - January 11, 2019, 2:15 pm

I want this

Pyro - January 11, 2019, 2:16 pm

Ladies and gentlemen, Central Asian shepherd

BTW it's the breed I want, not my favorite nor I have/had these

(Jan 11, 2019 03:06 PM)PerfectStorm Wrote: [\[CITE\]](#) Whats so hard about keeping them around? My last house was in the country side and I had 2 beagles. They would dig 3 feet to get under the fence. Unfortunately I lost them both due to most likely coyotes killing them. I had 2 acres fenced off for them but once they smell another like a rabbit or anything they try and go after them. I once found them both 2.5 miles away from the house.

Sombre - January 11, 2019, 2:37 pm

I'd like a Husky. That's the only other dog I'd want, other than the one I have now which is a Beagle.

bronzegods - January 11, 2019, 2:57 pm

Spoiler [\(Click to View\)](#) Bulldogs are one of, or if not, the ugliest dog. Don't @ me. ?

gore - January 11, 2019, 3:18 pm

On mobile, not sure how big these pics will be. But rn I have a husky.

Baxter [\(Click to View\)](#)

And I would be down for all of these dogs as well.

Golden Retriever [\(Click to View\)](#)

Dachshund [\(Click to View\)](#)

Corgi [\(Click to View\)](#)

German Shepherd [\(Click to View\)](#)

I'm not picky though so when it comes time to add another addition to the family, it could easily be any breed, not necessarily those ones.

Why is it that you prefer cats over dogs?
