Thread: [Best place to buy CSGO accounts?](#)

neprophuba - January 12, 2019, 9:22 am

Wheres the best place for CSGO accounts. I need reliable sellers.

zeze38 - January 12, 2019, 2:44 pm

epicnpc? btw i can sell good accounts if you want.

get a look into nulled site

L0RE - January 14, 2019, 2:36 am

I mean csgo is free so idk why you would wanna pay. But if you still want one, G2G is quite cheap.

Accounts that are just made don't have any hours into game.
This makes hacking a bit more detectable.

True, but make sure the accounts you buy are prime. I heard non-prime matches are literally aids. You can also just leave csgo open whilst youre sleeping, wont that add extra hours to your time played?
