Thread: [Forex Strategy + Custom Indicator](#)

TheWeg_Forex - January 13, 2019, 12:29 pm

Hey guys, I've got a really good forex strategy and custom indicator.

It took a lot of time to understand it but now i can say that my profits are way more than loses, of course it's not a 100%, since no strategy neither indicator is, but i always end the day with profits.

PM me if you're interested or email me @alancarlin15@gmail.com
