Thread: [Forgot my Clearlock Password](#)

sampark1471 - January 18, 2019, 1:15 am

I bought RDP from a site and I installed Clearlock app on it , I locked with with a Password I know went out for 40 mins just for me to come back and that same password can't Login the Clearlock is there any way i can remove the Clearlock from the RDP or Bypass the Password with some kinda code ? Kindly Help
