Thread: [VPN with Portforward](#)

Kingslayer9988 - January 18, 2019, 7:30 am

Can someone suggest a good VPN with portforwarding that i can use for my RAT ?

travisci - January 18, 2019, 1:53 pm

Cryptic is very decent, I used them for a few months and it served its purpose very well

PM me and ill walk you through it, or PM support of cryptic its your choice

BTCZeus - January 19, 2019, 12:11 pm

I personally use nVPN. It's very fast, priced well, has a dedicated IP option, and port forwarding is as simple as can be.
