Thread: [What Android game recommendation?](#)

eu6tu9 - January 18, 2019, 12:36 pm

Hi! I play a game now on android but start to be boring. I need a recommendation for a game on android.

Thanks

Online game or Offline ?

For online, I always play Vainglory

Pokemon Black through an emulator.

Phone games seem to lack a ton because of control issues with touch screen.

Try to play PUBG. Its kinda intresting.

Barlonl - *June 30, 2019, 12:30 pm*

try this adult game Summertime saga
