I have a private one that's a checker.

It can detect skins/back bling/pickaxes/emotes/vbucks

I wan't \$30 BTC for it

Hi man,

I can give you a full tutorial how to crack fortnite accounts also

Fortnite checker
it gives you info about the Skins, Picks, Backblings, emotes and other.
Fortnite cracker

And how to make easy money with fortnite reselling skins.

25\$ eth or PayPal friends family let me know
