Thread: [\[WILL PAY\] Need someone to write me a RPG character story](#)

isu - January 20, 2019, 2:49 am

So yeah, I need your help

Me and my friends want to play a RPG (not a computer game, irl). We made our characters and stuff and I have to create a short story of my character. But I have no idea on how to do it :(

The action is taking place in USA, XXth century

I've already got my character ready, I just need a history.

If you're interested, post here or PM, I'll send you the details.

I will pay you.
