I have never ate a Cheez-It

realsunjester - January 23, 2019, 2:45 am

I have eaten cheez-its, but that's because I live in the greatest country on Earth, the US. I was eating cheez-its the other day and got drunk, dropped the box, was too drunk to pick up most of the cheez-its. I took my dog out in the morning, his shit was orange.
