Please update me on how it holds for you, service is still alive.

gazorpazor - January 25, 2019, 7:54 am

slots still available free crypt updates every new stub while software is in beta.

Regret - January 25, 2019, 9:08 am

And who is gonna trust you with their build? You just recently joined the boards.

If it's a legit service good job, but if I were you I'd build up a little rep first.

Wespa - January 25, 2019, 9:56 am

Is it possible to reserve a spot?

Takehito Morokuzu - January 25, 2019, 2:44 pm

Hey can I try it? Thanks in advance

gazorpazor - January 25, 2019, 3:59 pm

slots going quick! all requests have been replied too!

owntheGame - January 25, 2019, 8:45 pm

Still holding well mate, nice one work. Looking forward to seeing your crypter when its out of beta

ETH - January 25, 2019, 9:50 pm

I will take a spot mate i will take a look

gazorpazor - January 26, 2019, 6:42 am

everyone looking to fill up a spot please pm me!

Thanks guys.

Stub is being improved everyday!

dfghj - January 26, 2019, 9:42 pm

Can i have it too please. Thank you

gazorpazor - January 28, 2019, 3:19 am

pm me please

ccmnbcmn

gazorpazor - January 29, 2019, 5:52 am

spots still open, anybody wanting a spot please PM me on hf.

rroki1234 - September 6, 2020, 4:35 pm

Can i have it too please. Thank you
