Thread: [Can't find wininet.lib](#)

ghostal - January 23, 2019, 5:24 pm

Hey Guys

Someone knows where can I get the wininet.lib library?

This can't be a serious post. Not sure why you're even trying to "find" it ?

Forget about that, first time using FTP on a application with c++ and was the first thing that appears. What I should be looking for?

If you're using windows it is already available....

Code `#pragma comment(lib, "wininet.lib")`
