i'm not a big GR of him, but watching that episode was so good for me cuz it felt like a new generation show hosting the OG and legend of the field.

What part were you born in? I'm northeast. I liked it when he used to tout he played for Rangers. His restaurant in Glasgow failed miserably, he is funny though.

I live close to Edinburgh, well that's maybe just one of his restaurants however he has many that are well nice.
