Thread: [Digital Art Seller - Hacker\[\\$5 to find seller\]](#)

POLY MATH - *January 25, 2019, 8:51 am*

Someone was selling a digital art painting

Titled: Hacker

Does anyone remember this seller? I cleaned my PM's :(

-UPDATE

I really need it. Paying \$5 BTC for anyone who can help me find him or at least the images.

The digital art wasn't of a hacker it was more "trippy".
