Are you open to mm holding funds until the items ships? Or can you do 1 by 1? Interested and can give you a bit more then 50%

Hey I messaged you I can do this right now

pro - January 26, 2019, 8:27 am

In contact with him, sent the money for one card. Just letting y'all know in case he scams / tries selling both still

Miscommunication as to he actually got scammed and the cards aren't active . Misunderstood

So this turned out to be an almost scam thread.

RallyWithMe - *January 26, 2019, 8:53 am*

It's not a scam thread. I got scammed on my end by the guy who I ewhored.
