Thread: [Selling \[freebitco 24/7 + extra faucets, include 3 vouch copies\]!](#)

masterxy - January 27, 2019, 9:31 am

Hi, selling premium version of freebitco 24/7 script. The script is working perfectly for 24/7 5 days a week, after that you should check a once, whether it's still working!

Scripts in a premium package. Going to give away 3 vouch copies for free, after that you can only receive the script for a small fee.

firefaucet
searchtrade
freecardano
freebtc
freenem
freexrp

You can check the main thread and my reputation here:

<https://hackforums.net/showthread.php?tid=5888001>. Leave me a pm here if interested. After 3 copies are given out, you can purchase the script with instructions via crypto or paypal, just send me a pm!

Price is as low as 5 usd:
