These accounts do not come with any help to secure them or a warranty if something happens to the account. They are mainly being sold for their content. I am proxy selling this for my partner Sophoclito. UID:3189336

(Jan 31, 2019 02:35 AM)JustBuying Wrote: [\[CITE\]](#) Post their gear. Need to see if soft cap, etc. That's pointless, their gear narrows down to the items they have which is already estimated in silver. :p

HMU with offers boys.
